This document must be presented to the Building Department prior to a **rough-in** inspection. All information must be completed before this document will be reviewed. All sub-contractors should be listed below that will be performing work on this job. It will be your responsibility to notify the Building Department of any changes in contractors or sub-contractors before completion of this project. Until all sub-contractors have been licensed by the Town of Loxley requiring an Alabama Home Builders License, you will **not** be allowed to get your **rough-in** inspection, which is required by law.
I have received and fully understand all of the above and agree to it by signing below.
